The 1963 Football Brochure

This 1963 Football Brochure has been prepared to aid newspaper, radio, television and college publicity personnel in covering the 1963 football team at Fort Hays State College. Information was compiled prior to the season and is therefore subject to change. Such change will be brought to your attention through regular sports news releases from the Fort Hays State News Service.

Visiting journalists, publicists, etc., are invited to visit the FHS campus and are welcome to use facilities and records in the News Service office on the first floor of Martin Allen Hall. Press box facilities are available at Lewis Field Stadium and are explained in more detail in this brochure. The News Service will gladly supply those interested with information about any phase of the college and its activities.

Fort Hays State's sports brochures are used not only for press, radio, television and publicity information, but are considered part of the college's regular publications program. They are seen by alumni, friends and prospective students of the college.

We hope you will find the brochure useful and interesting. For any additional sports information, pictures, movie platforms or other services, please phone, wire or write:

The cover . . .

Yes, we know we've got too many men in the backfield. Or maybe we don't have enough men on the field, and one of those in the backfield is a referee. At any rate, this year's cover symbolizes, in somewhat abstract design, the head-on battle that is football at its best. It was designed by Ralph Hormel, our graphics designer and offset printer. He is also an FHS art major.

History of the College

Fort Hays Kansas State College, founded in 1902, marked its 61st birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state to serve the people of Kansas, and particularly the youth of Central and Western Kansas.

Fort Hays Military Reservation, established in 1867 shortly after the Civil War, was abandoned by the United States government in 1889. For the next 11 years, a proposal for wise use of the land was repeatedly presented to Congress by far-seeing residents of the area. In 1900 the government enacted legislation granting the land to the State of Kansas for three designated purposes: as a state college, as an agricultural experiment station and as a state park. All are now in existence on the land.

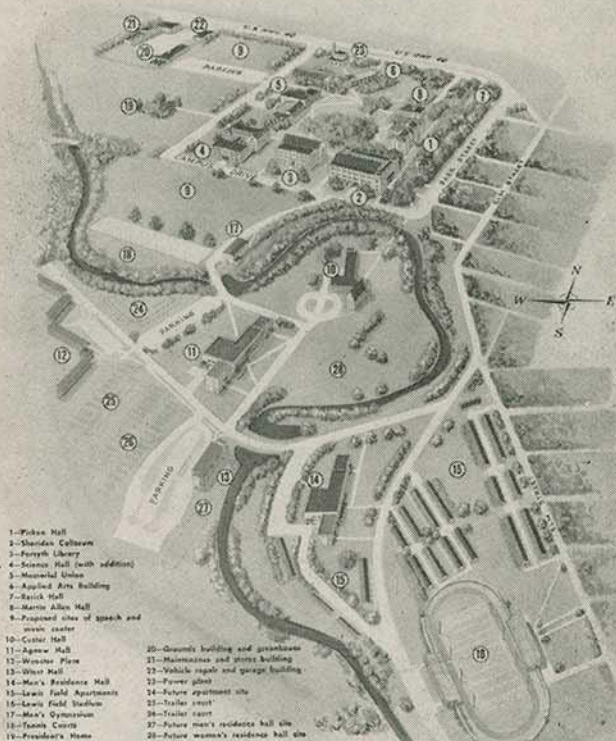

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

The institution has grown steadily until it now has an estimated 1963 enrollment of 3,750 students and offers more than 700 courses, with more than 200 faculty members. This growth is further reflected in a steady building program that includes such recent construction as complete remodeling of several campus structures, an addition to Science Hall, new maintenance buildings and new housing for men and for married students. Completed this fall is a six-story women's residence hall that will eventually house some 600 coeds. In various stages of planning are a new library and a speech and music center.

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which wanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.

Fort Hays State reflects the community and the area in blending new and old, tradition and progress, while serving as the educational and cultural center of Western Kansas.

1963 — Basketball Tigers take CIC and NAIA District 10 crowns for third time in five seasons; again finish fourth in NAIA championships.

Athletic Facilities

In addition to Lewis Field Stadium, home of the football and track teams, Fort Hays State has other varied athletic facilities.

Sheridan Coliseum, built in 1915, houses the basketball and gymnastics facilities, in addition to the physical education offices and the K-Club trophy room. Home wrestling meets are held at the coliseum, although the matmen work out in a wrestling practice room at Lewis Field Stadium.

Sheridan Coliseum also includes a swimming pool which is used for phys ed swimming classes. FHS has not had a competitive swimming team for several years as the present facilities are not adequate for competition.

Another gymnasium building, known as "men's gym," is used for physical education classes and some intramural competition. Located south of the coliseum, it was moved from Walker Air Force Base in 1947.

The college tennis courts, eight in number, are located south of the coliseum. Between the courts and the coliseum are the intramural fields, used for softball and touch football as well as for phys ed class activity. Solid fences have been added to two courts, giving some wind protection.

The college golfers use the nine-hole course at Fort Hays Country Club for their meets. It is located southwest of Hays on highway 40 bypass. The golf course is also the site of home cross country meets.

Ticket information . . .

Admission prices for home football games at Lewis Field Stadium:

Adults	\$1.50
Students	.75
Children	.25

FHS does not sell reserved seats or season tickets in football.

Press and radio representatives and opponents' publicity personnel will be admitted by presenting their customary press or college identification. Press box tickets are issued by mail. See page 9.

Athletic Program

A well-rounded athletic program spanning the entire nine-month school term is offered at Fort Hays State, with at least two sports under way almost continuously throughout the year.

In the fall, the football team and cross country runners compete in both conference and non-conference competition. The cross country squad is also a top competitor each year in the NAIA national championship race.

Basketball, wrestling and gymnastics are offered through the winter months. The basketball squad competes in conference and NAIA competition. The conference does not offer wrestling and gymnastics activity, so the Tiger teams must maintain non-league schedules in those sports. The wrestling squad enters the NAIA national meet each year. The gymnastics team, being one of the few small-college gym squads in the area, regularly competes with major universities.

Spring sports include track and field, golf and tennis, and all three compete in conference meets. The track and golf teams have been frequent NAIA meet competitors.

The college does not field a baseball team due to a combination of difficulties in travel distances and unpredictable spring weather. The last FHS diamond team was fielded in 1924.

The college's well organized intramural program includes touch football, basketball, volleyball, softball, track and field, swimming, bowling, tennis, golf, badminton, table tennis and horseshoes.

Those wearing the block K . . .

. . . on the black and gold award jackets are FHS athletic lettermen and members of the K Club, the organization honoring athletic lettermen. The group's purposes are to foster fellowship among the members and to promote athletics. The club also contributes to the scholarship fund by selling concessions at athletic events.

Tiger offensive system . . .

Coach Wayne McConnell has his Tigers use a multiple-T offensive system, embodying characteristics of several different T-formation systems.

Press Facilities

PRESSBOX: The main pressbox includes adequate facilities for press and radio. It is located atop the east stadium. Included are two enclosed radio booths; one is used by KAYS for each home game. The main press room is used by the working press, publicity personnel of the competing schools, statisticians and the public address and scoreboard personnel. Another large enclosed room is commonly called the "President's box" and is used by college officials; it is not available for press or scout use.

SCOUTS AND CAMERAMEN: A new box was constructed last fall atop the west stadium. It is divided, half for movie cameramen and half for visiting scouts. The new box is white; the main pressbox is native stone.

PRESSBOX PASSES: These are required for everyone seeking admission to either box—press, radio, cameramen, scouts, etc. Write the sports information director, preferably at least a week in advance to allow time for mailing. Late requests will be filled when possible; passes in those cases will be left at the ticket window. **NOTE:** The scout for the next Tiger opponent will be given preference; others will be seated if room is available.

RADIO: Radio stations wishing to broadcast a Tiger game must make their own arrangements with Southwestern Bell Telephone Co. in Hays. Also contact the sports information director at FHS to determine available facilities and to assure receiving press services.

FILING: A telephone is available in the main pressbox; another is available elsewhere in the stadium. Phones at Martin Allen Hall on the campus may be used after the game. Any newspaper desiring Western Union service must make its own arrangements by contacting the Hays Western Union office, 113 E. 11th.

SERVICES: Although the sports information service at FHS does not control all phases of the pressbox operation, we will do our best to serve you in any way. Before game: Programs, line-ups, number changes, flip cards, cumulative FHS statistics for season, etc. During game: Detailed play-by-play sheets as each page is completed, team statistics and individual leaders at halftime. After game: (as soon as possible) final statistics and scoring summary. Anytime: coffee and soft drinks, cigarettes, matches, pencils, paper, etc. Hot dogs at halftime.

Athletic Director Gross

Athletic Director Paul "Busch" Gross, a Hays native, began serving Fort Hays State as an athlete in 1917. With the

exception of a period of eight years as a high school coach, he has served the school ever since and is now in his 34th year on the faculty.

Busch was a standout quarterback at FHS during the seasons of 1917, 1919, 1920 and 1921 and was an all-state college choice during the first and last of those seasons. His college career was interrupted by a 13-month stint with the field artillery in England and France at the end of World War I.

After receiving his degree in 1922, he coached high school athletics for one year at La Crosse, one year at Howard and six years at Augusta. In 1930 he returned to his alma mater as head basketball coach and co-director of athletics.

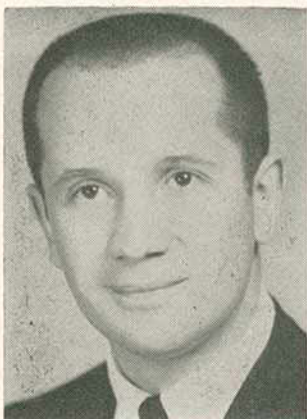

In 1935 he assumed full responsibility in the athletic director's post and has controlled FHS athletic efforts since that time. He gave up the head basketball coach position in 1946 when the present coach, Cade Suran, joined the staff.

Busch earned his master's degree at the University of Missouri in 1939 and has done additional graduate work at the University of Illinois, Northwestern University, the State University of Iowa and the University of Michigan.

In 1957 Gross was nominated to the Helms Foundation Hall of Fame for noteworthy achievement in NAIA basketball. The Busch Gross award is now presented annually to the outstanding senior athlete on the FHS campus.

The Junior Varsity

Fort Hays State's junior varsity football squad is made up primarily of freshmen. A few upper-classmen who lack experience in college football also see jayvee action.

Junior varsity rosters will be available before each game.

The jayvees will be coached by graduate assistant Ron Gardner (see page 17).

The young Tigers annually play a three-game schedule, meeting Kearney (Neb.) State on a home-and-home basis and playing a single game with Emporia State.

The Tiger cubs have lost only once in nine games over a three-year period. That setback was a 33-20 loss at Kearney in 1961.

Game by Game in '62

Sept. 22 FHS 21, NW Mo. 0 Hays

Playing in a steady drizzle, FHS rolled up 303 yards to 181 for the visiting Missourians. The Tiger defense stopped the Bearcats four times inside the FHS 20. Dave Parker scored twice and charted 140 yards rushing, while Steve Worley added 84 yards. Jim Lee was the defensive standout. The margin was the biggest in the 13-game series.

Sept. 29 FHS 33, Colo. College 0 Hays

A capacity crowd watched the Band and Parents' Night attraction as the Tigers blanked Colorado College for their second straight shutout. Parker irritated his former teammates by scoring twice and passing for two other scores. Royce Hamala led the rushing with 99 yards. Lee, Tim Daniels, Ken Palmgren and Jesse Kennis were the defensive leaders. This game ended the 13-game series.

Oct. 6 Kearney 27, FHS 13 Kearney

The two-game win streak ended when Kearney produced a surprising running attack to upset the Staters. The Antelopes got a 14-0 half-time lead by taking advantage of two early Tiger fumbles, and FHS couldn't catch up from there. Jerry Dunlap scored twice for the winners, and the quarterbacking of Dick Butolph stood out. Parker got both TDs for the Tigers, one on a 97-yard kickoff return. Parker had 126 yards rushing, and Jesse Kennis led the defensive unit.

Oct. 13 FHS 20, Omaha 20 Omaha

Untimely penalties in the waning moments cost FHS a big upset over the Omaha U. Indians, but the Tigers held on for a tie. It was the only blemish on OU's conference record for the season. Jim Lee played his first game at offensive halfback and paced the Tigers with two TDs, one an 80-yard romp, and 103 yards rushing. The injury-riddled Tigers led, 20-13, with a minute and a half to play. Lee also set the defensive pace.

Oct. 20 FHS 25, Pittsburg 20 Hays

The Bengals thrilled an overflow Homecoming crowd of 7,500 by upsetting the defending national small college champs, ranked sixth in the nation that week. Parker put on a dazzling one-man scoring show, tallying all four Tiger TDs.

Game by Game in '62

FHS came from behind for the go-ahead TD with 4:20 to play and then stopped Pitt on the FHS nine-yard line in the closing minutes. Parker rolled up 215 yards in total offense. Lee and Bill Walters topped the defenders.

Oct. 27 Emporia 14, FHS 13 Emporia

The E-State Hornets popped the Tigers' CIC title bubble with a 14-13 upset in the Emporia Band Day game. The Tigers moved the ball inside the Emporia 10-yard line in the closing minutes but lost it on a fumble. Worley was the Tigers' leading rusher, while Parker had the top total offense figure. Fullback Jim Anderson was the Emporia leader. FHS has not beaten the Hornets at Emporia since 1954.

Nov. 3 FHS 21, St. Benedict's 0 Atchison

FHS picked its first victory of the season away from home and its third shutout of the year by never allowing the Ravens a serious threat. The Tigers intercepted three Raven passes and didn't allow a single completion. Cliff Leiker, Parker and Worley scored for the Tigers, and Worley led the rushers with 113 yards on 24 carries. Lee, Kennis, Jack Hazlett and Larry Ollek were the defensive stalwarts. This ended the series as St. Benedict's later dropped football.

Nov. 10 FHS 33, Washburn 14 Hays

McConnell's fighting Tigers took second place in the CIC by overpowering the Washburn Icha-bods in the final home game. Scoring three times in the first quarter, the Tigers were never in danger. Parker scored three times and had 130 yards in total offense. Lee had his best offensive game with 112 yards. The passing of quarterback Curt Miller gave WU its two scores. FHS totaled 363 yards in offense.

Nov. 17 FHS 14, SW Okla. 6 Weatherford

A strong first-half performance carried the Bengals to a 14-6 victory over Southwestern Oklahoma State on a frozen, snow-covered field. The victory ended the season with a 6-2-1 record. It was the first game with the Oklahomans since 1941. Worley and Parker got the tallies, the latter on a 62-yard scamper. Larry Bates turned in an outstanding defensive showing in the clutch, intercepting two passes, knocking down another long aerial and downing Joe Cress's booming 66-yard punt deep in Oklahoma territory.

Statistical summaries of 1962 games with '63 opponents appear on pages 47-55 with information on each opponent.

The Season Outlook

Fort Hays State's 1963 grid prospects depend largely on the answers to two questions: Who replaces NAIA All-American Dave Parker at quarterback? Who replaces unanimous all-CIC Jim Lee at a linebacker spot?

Then, too, Ron Gardner and Jerry Strecker, both four-year starters, have graduated, and they must be satisfactorily replaced. Gardner and Strecker may help replace themselves, as both are serving as graduate assistants on the '63 coaching staff.

With satisfactory solutions to these questions, Coach Wayne McConnell feels the Tigers should have another fine season. Last year's 6-2-1 mark was the first winning record at FHS since 1955, and it is the second best mark since 1938.

Nineteen lettermen are on the pre-season roster. In addition, there are 14 returning squadmen who did not letter last season. Eighteen transfers add more experience and should give McConnell and his staff more depth at nearly every position. A number of highly regarded freshman prospects will also be battling for varsity berths. The roster should number more than 80.

Offensively, about half of last year's starting eleven is missing, including the irrepressible Parker. The mighty mite led FHS in nearly every offensive category for the past two seasons. Backfield starters Jesse Kennis and Steve Worley return.

In the offensive line, end Cliff Leiker will be around to add to the numerous school passing records he already holds. George Daniels and Glenn Pettengill have started at the other end. Linemen Clark Engle and Larry Dreiling are back.

Defensively, all but one full-time regular return from the unit that led the CIC in total defense last fall. Missing is the leader of that aggregation, joltin' Jim Lee, and he'll be tough to replace.

The quarterback and linebacker spots will be the key this year. Veterans Jim Hill, Galen Howell and Max VanLaningham will probably battle newcomer Mike Matson for the signal-calling spot, and halfback Larry Ollek will get a trial, too.

Kennis gives McConnell one tried-and-true linebacker. The other spot—Lee's old far-reaching territory—is up for grabs.

The Outlook by Positions

End—Good to Excellent

Starters return on both offensive and defensive units. Cliff Leiker top offensive end in college's history. Bill Walters and Guy Martin top defenders. George Daniels and Glenn Pettengill shared other offensive end spot in 1962. Joe Krasinski and Grover Bauer, both injured early last season, will help. Transfer Larry Noffsinger top newcomer.

Tackle—Good

Defensive starters Ken Palmgren and Ron Schumacher return, as does offensive regular Clark Engle. Palmgren will move from center to tackle on offense. This has been a trouble spot in the past, but McConnell looks for solid depth this year. Transfer Ken Dreiling will play tackle on defense, guard on offense. Transfers Ron Reed, Gordon Mauch, David Jones and Phil Jacobs highly regarded. Dudley Fryman, a jayvee lineman last year, also in contention.

Guard—Good to Excellent

Defensive stalwarts Kirk Pope and Jack Hazlett, both second team all-CIC in '62, return, as does offensive specialist Larry Dreiling, also second team all-CIC. Biggest gap is development of another offensive guard. Ken Dreiling and returning squadmen Jim Howser and Bill Hudson all promising. Defense will be strong.

Center—Fair

This is a question mark, with no lettermen listed at center. Transfer Roger McCabe is the top prospect. Returning squadman Paul Monty and newcomers Steve Base, Bob Ridler and Jim Eisenhower are right behind.

Quarterback—Good

Though replacing Dave Parker is a gargantuan task, McConnell points to numerous fine prospects. Lettermen Galen Howell, Jim Hill and Max VanLaningham will probably battle transfer Mike Matson for the job. But don't discount letterman halfback Larry Ollek, who wants a quarterback trial; former Lawrence star Dennis Harris, and transfer Bill Ham. Leo Hayden and Bob Johnson are good frosh hopes. "We have no idea who the quarterback will be, but we ought to be okay," says McConnell.

Halfback—Fair to Excellent

The excellent brand is for the defense, where all halfbacks return. Depth in the defensive backfield with Hill, Ollek, VanLaningham, Larry Bates, Cliff Leiker, Bob Anthony all back. Offensively, it's another question mark. Lettermen Clayton Williams, Bates and Jesse Kennis will have competition from Anthony, a squadman last year; transfers Charlie Canty, Ronnie Morel and James Alexander, and frosh prizes Ken Brown and Dan Rouse. There's speed here.

Fullback—Excellent

Excellent because two-year starter Steve Worley returns. Behind him should be Ken Ruda, injured last year, and transfer Jack Johnson. Some halfbacks may move to fullback to provide depth if necessary. Halfback Kennis returns for a linebacking berth, but all-CIC Jim Lee's spot is up for grabs—Jack Johnson, Ham, Ruda and Hudson may get first practice trials.

The Conference Outlook

Most CIC observers are following a policy of staying with the winner this fall, and Coach Wayne McConnell is no exception. He tabs 1962 champion Omaha University as the favorite for '63.

He points to OU's returning strength and adds this reminder: "Look at what they did last year." Only a 20-20 tie with Fort Hays State blemished the Indians' conference record a year ago, and most of the top OU performers return, especially in the backfield and the mammoth defensive line.

Fort Hays State was second a year ago, and McConnell's views on his own team's prospects appear on page 29.

Pittsburg State, the perennial CIC power, lost some key men, but McConnell believes Coach Carnie Smith will come up with his usual well-schooled crew. All-CIC runner Bob Fulton will return, but sophomore quarterback Ron Vignery must come through if the Gorillas are to contend for the title.

Washburn and Emporia will both be improved this season, and both had their moments during rebuilding campaigns last year. In fact, McConnell sees Washburn as the conference dark-horse "if their transfers are eligible." Spring publicity credited the Ichabods with a flock of prized transfers.

Emporia will have more experience than in recent years and has the league's top passer back in Don Wrench.

"Anything could happen," McConnell says. "Any one of the other four teams could sneak in should Omaha falter."

Bearcat Prospects: "Very Bright; Optimistic"

Coach Ivan Schottel moves to his alma mater from St. Benedict's, which dropped football. Greeting him will be an undetermined number of Bearcat lettermen and at least half a dozen of his former St. Benedict's performers. Schottel predicts an improved and interesting team and hopes to shatter the current 14-game losing streak. The strong point should be the backfield, where numerous veterans are on hand. But Schottel uses the multiple-T and the Bearcats have been using the single wing under former head coach Earl Baker, now an assistant, so the quarterback spot is the question mark. Complete pre-season information is not available.

Mountaineer Prospects: "A Good Team"

Coach Dalton has more experienced players than in recent years, with only five lettermen lost and 20 returning. Depth in the line, where 15 veterans return, is the strong point. A lack of depth at center blemishes the picture. Top stars should be linemen Tom Casteel, Frank Reeves and Pete Rodriguez, quarterback Stan Hergenrater, halfback Dave Mitchell and fullback Steve Lindgren. A dozen transfers, including halfback Terrence Kelly, provide the depth.

Antelope Prospects: "Should Be Bright"

The Lopers upset FHS in the third game last fall and have 35 lettermen back from their 6-1-1 squad of a year ago. Kearney won its conference in '62. Strong points: Returnees at every position; lots of depth; top-notch quarterbacking from veteran Dick Butolph. Weak points: Only three returning guards; continuing weakness at fullback. Top returnees: All-conference and NAIA honorable mention Butolph; all-conference and NAIA honorable mention end Larry McCord; end Jim Irwin; top ground-gainer John Johnson; center Ed Kruml.

Gorilla Prospects: "Could be good"

Could be good, but not great. That's the report from Pittsburg, where 24 lettermen return, including four all-CIC first team choices. Eight lettermen were lost, leaving questions of depth including the quarterback spot. Starting units should be strong, and Smith-coached teams are always solid. Top returnees: first-team all-CIC Bob Fulton, halfback; Craig Campbell and Milton Fairbank, tackles; Gene John, defensive halfback.

Indian Prospects: It's All New

Southern Colorado State embarks on a new athletic program as the school becomes a four-year institution. There will be no senior class for another year, but Coach Prater's crew will play a tough beginning schedule including four CIC teams. Nineteen lettermen return from last year's junior college squad; three lettermen are missing. Strong points: Good passing; solid defensive unit. Weak points: No seniors; lack of weight and depth in line; lack of backfield speed. Top returnees: Quarterback Bob Berry, led Empire Conference in passing; fullback Milt Banks, all-conference on both offense and defense; guard Sam Clay, defensive signal caller.

Last year's Pueblo JC team ranked 12th in the nation among junior colleges.

Ichabod Prospects: Defensive Worries

Defense worries Coach Rainsberger—his 1962 team gave up over 200 points. Fullback and center are lacking in depth, and newcomers will have to bolster the line. Backs are "fairly adequate." Reports last spring indicated numerous transfers could make the Blues a contender. Sixteen lettermen return; 11 were lost. Top returnees: quarterback Curt Miller; halfbacks Frank Pickens, Ron Heck; linemen Jack Clanton, Pat Butler, Leon Shelinbarger.

Bulldog Prospects: Lots of Experience

A total of 23 lettermen, including 11 offensive or defensive starters, return to boost the Bulldogs' hopes. Only six lettermen were lost, but four of them were first team all-conference choices. Center spot will be manned by newcomers, as will guard slots. Transfers Roger Newberry and Bill Gravitt should handle the latter. Outstanding quarterback Larry Damron is back; so are ground-gainers Bill Crockett and Alford Mitchell. Lack weight; only one letterman over 200.

Past Season Records

(Note: A college history compiled by the late L. D. Wooster, president-emeritus of Fort Hays State College, indicates that football was played with several opponents prior to 1913, but that these games were primarily with high school and "town" teams. The first season on which the school has complete scores is 1913; the first completely intercollegiate schedule was played in 1915.)

Looking ahead . . .

Coach Cade Suran, beginning his 18th season at FHS, faces what should be a rebuilding year in Tiger basketball.

The 1962-63 Tigers had a 21-7 season record, won the CIC title in a playoff with Emporia State, won the NAIA District 10 crown and finished fourth in the 32-team NAIA Tournament of Champions.

Gone from that squad are five graduated seniors, including four starters. The missing performers are third team All-America Herb Stange, all-CIC John Channell, starting guards Jim Bodge and Tom McKain and reserve Dave Hurt.

The top performer returning is senior Sam McDowell, who should become the school's top all-time career scorer this season. The 5-11 Smith Center cager will be the only starter returning. Other letter winners expected are Bill Royer, Larry Phillips, Jude Gerstner, Merv Heitschmidt, Keith Wilson and Rick Brown.
